

**Duvernay Undeveloped Land Offering
Angle Energy Inc. and Crew Energy Inc.**

Summary

AltaCorp Capital Inc. has been jointly engaged by Angle Energy Inc. and Crew Energy Inc. as exclusive advisor to the companies in divesting of certain Duvernay petroleum and natural gas rights in the Ferrier area of Central Alberta.

This offering represents a unique opportunity to acquire a highly desirable 100 percent working interest land position of 6,240 acres (2,496 hectares). The companies have agreed to jointly offer this acreage which has excellent tenure.

AltaCorp’s Situation Map for the Ferrier Duvernay disposition is available on our website at www.altacorpcapital.com/acquisitions-divestitures

Bids Due:
Noon Calgary Time February 14th, 2012
